

SPECIAL SCREWS AND ACCESSORIES

OBE Stars

Effortless assembly – reliable security

OBE Stars

OBE offers two products for rimless frames. Anti-slipping screws together with non-loosening safety nuts.

6 point star screws

T3 size 6-point star head
 Made of stainless steel
 Screw head resists high torque forces without being damaged
 Current sizes in M1.2

ISS - Injection Safety Nut

3 products in one: nut + metal washer + plastic washer
 Made from stainless steel
 Integrated polyamide provides antiloosening effect
 Available in two threads M1.2 and M1.4
 Optionally gold plated

JOINT BENEFITS
